

Mother Helpage Worldwide – Sri Lanka Appeal 2009

Mother Helpage Worldwide has been active in Sri Lanka since the devastating Tsunami and continue to help thousands of victims and needy people through income generation projects, medical care, and sponsorship of needy children. To date, our most successful work has been the feeding programmes that have been organised in schools, hospitals and amongst deprived communities throughout Sri Lanka.

Mother Helpage Rehabilitation Village Musali – Sri Lanka

The recent civil conflict has caused thousands to flee from their homes and consequently left thousands of refugees entirely dependent on handouts. Mother Helpage is aiming to rehabilitate at least 200 families by providing them with homes, water and sanitation, schools, community centres and mosques. A pioneering project, this will aim to provide basic community needs in a state of the art village. Mother Helpage aims to be a leading example of good practice in this endeavor.

Five acres of land has been donated by the local authority for our cause, allowing us to appeal for the following:

House (Zinc roof & wooden walls)	£500
Toilet, water source and fruit trees	£400
Community School	£1,200
Mosque	£1,300

Please make your Sadaqah / Zaakah donations on:
